

# West Fernie Servicing & Restructure Project Phase 1 Construction Schedule

The contractor's proposed schedule is shown below. A construction schedule is a living document that can and will change. There are a number of factors that can cause changes, including weather, water table and ground conditions to name a few.

Street Name	Timeframe
Mill St & Wilson St	April to June
McLeod Ave	April to August
McDonald Ave	May to August
Eckersley St, Commons St & Hesketh St	June to August
Hand Ave & Colclough Ave	August to October
Riverside Dr	In & out over the course of the work April to October
